New Power Catamaran Sales

DESIGN AND MANUFACTURING EXCELLENCE

Every Horizon Yacht is custom-built to megayacht quality standards and to our owners' exacting requirements. Horizon's professional approach means we typically exceed our owners' expectations. Our luxury power catamarans are known for their style, quality, comfort, functionality and amenities that make living aboard or extended cruising a pleasure. The 790 large luxury motor yachts we have built over the past 30 years and their passionate owners tell the story. Over 25 years of catamaran hull development, tank testing and CFD analysis ensure that Horizon Power Catamarans have unsurpassed sea-keeping characteristics and performance, and provide a stable, comfortable ride. Match that with the exceptional quality, on-board living space and amenities that are unique to Horizon Power Catamarans, and you have a yacht that delivers an exceptional experience on the water.

Pre-Owned Power Catamarans

QUALITY YACHT MANAGEMENT AND BROKERAGE

Through The Powercat Company's quality management program, we take care of your yacht throughout your ownership of the vessel, ensuring its value is retained. When you are ready to consider selling, we can take the hassle out of offering it for sale through our pre-owned yacht brokerage program. Historically, our custom-built luxury power catamarans retain their resale value and depreciate at a far lower rate than our competitors. Thanks to our attentive after-sales and management service, and our years of specialized power catamaran experience, we have resold 100% of the pre-owned catamarans entrusted to us by our clients. Noteworthy is the fact that several Horizon Power Catamaran owners have purchased a second and even a third one. A key element to our brokerage sales success is client satisfaction, along with our high level of personalized customer service.

Luxury Crewed Charters

ENJOY THE ULTIMATE YACHTING VACATION

Sample the Horizon Powercat lifestyle in exotic destinations while cruising in comfort and style, pampered by your professional private crew. Based in the Caribbean and Bahamas, our catamarans each feature a professional Captain and Chef. Outstanding onboard service, luxurious en-suite staterooms, watersports galore and a daily gourmet menu make a Horizon Powercat charter the vacation of a lifetime. Our experienced and attentive crew have extensive knowledge of the islands, so you can relax and have fun with friends and family, while we handle the details. Horizon Powercats are designed to offer outstanding accommodations, high-end finishes, ample spaces, a smooth, even and reliable ride.

PC74

ULTRA LUXURIOUS, UNSURPASSED STABILITY, SUPERIOR SEA KEEPING AND SOFT, SMOOTH, LEVEL RIDE.

LOA	73' 9" (22.48m)
Beam	28' 4" (8.63m)
Draft (Half Load)	5' 10" (1.80m)
Fuel	2,000 US gal. (7,570 ltrs)
Fresh Water	400 US gal. (1,514 ltrs)
Displacement (Half Load)	163,142 lbs. (74 tons)
Engine	2x CAT C18 ACERT 1136HP
Generators	1x 29 kW (60Hz) + 1x 11 kW (50Hz)
Max Speed	24 knots

With the highly successful PC60 and PC52 as the baseline, we focused on designing an exquisite power catamaran, with the goal to be known and referred to as The Ultimate Cruising Yacht. All the key elements were carefully identified, with an extensive must-have list that formed the basis of the design and a wish-list that further refined the parameters and stretched the design limits. Note that the sea keeping, structural integrity and safety remain the backbone of all our designs, particularly on our new and larger PC74. The PC74 is truly a magnificent luxury cruising yacht, and a very desirable crewed charter yacht.

PC65

TECHNOLOGICALLY ADVANCED, MODERN CLEAN LINES, OPTIMIZED HULL FORM, HIGH CRUISING SPEED, CUSTOM LAYOUTS AND INTERIOR.

LOA	65.1' (19.8m)
Beam	24' 6" (7.47m)
Draft (Half Load)	5' 3" (1.6m)
Fuel	1,500 US gal. (5,680 ltrs)
Fresh Water	300 US gal. (1,150 ltrs)
Displacement (Half Load)	111,250 lbs. (55.63 tons)
Engine	2x CAT C12-9 850 HP (1,000HP option)
Generators	1x ONAN 21.6 Kw (60Hz)
Max Speed	26 knots

The new PC65's advanced hull design is the culmination of decades of catamaran hull development, tank testing and CFD analysis. The versatility of the PC65 will appeal to the demanding and seasoned cruising yachtsman, offered either as an Open Flybridge or Skylounge, with several layout options and tailored custom interiors. Enjoy extended cruising with an economical slow cruise, plus high cruising and top end speeds. Alternatively, we can manage her in our luxury crewed charter fleet when configured with 3 private en-suite King cabins, separate crew cabin, luxurious interior finishes and large deck areas for entertaining. As with all the Horizon catamarans, the PC65 has aesthetically pleasing lines, affording pride of ownership.

PC60

LUXURIOUSLY FINISHED, ELEGANT, SPACIOUS AND COMFORTABLE, THE PC60 OFFERS A SMOOTH AND STABLE RIDE.

LOA	60' 9" (18.51m)

Fuel	1,000 US gal. (3,800 ltrs)
Fresh Water	270 US gal. (1,022 ltrs)
Displacement (Half Load)	64,985 lbs. (32.8 tons)
Engine	2x Cummins QSM11 705 HP
Generators	1x Onan 17Kw(60Hz)
Max Speed	23kts

The PC60 power catamaran is a custom built, luxurious bluewater cruising yacht, specifically designed, engineered and built to meet the demands of the most discerning yacht owner. The editor of *Pacific PowerBoat* magazine said, "The PC60 would unquestionably be the best riding big powercat I have ever had the experience to run hard and fast in rough water." Recently, the PC60 was honored the Taiwan Excellence Gold Award. The award is the highest honor any company can receive through Taiwan Excellence. If cruising in comfort is your priority, then look no further. Choose either the open plan main deck or the lavish on-deck master stateroom, with full walkaround king bed, gourmet galley, spacious salon and large deck area, ensuring the ultimate in comfort.

PC52

DESIGNED AS A BLUEWATER CRUISER, THE PC52 OFFERS FUNCTIONAL AND MODERN ACCOMMODATIONS, COMPRABLE TO MUCH LARGER MOTOR YACHTS.

LOA	51' 6" (15.71m)
Beam	22' 0" (6.75m)
Draft (Half Load)	4' 3" (1.29m)
Fuel	965 US gal. (3,652.9 ltrs)
Fresh Water	270 US gal. (1,022 ltrs)
Displacement (Half Load)	60,451 lbs. (27.4 tons)
Engine	2x Cummins QSB 6.7-550HP (1,000HP option)
Generators	1x Onan 17Kw (60Hz)
Max Speed	22 knots

The PC52 is the ideal cruising platform for couples and small families who appreciate Horizon Yachts International award-winning quality, voted Best Power Catamaran over 50ft by Aim Media Group. With her modern, clean, and chic lines, the PC52 could easily pass as an elegant motor yacht and is possibly the best-looking power catamaran in this size range. Built using the patented SCRIMP™ resin infused system ensures a superior structure, both lighter and stronger than traditional build methods. The PC52's standard layout offers a master cabin on starboard and two cabins to port, or a custom designed interior to suite your cruising needs.
