## **OVERVIEW**

"Lil" is PC60 Enclosed bridge in turnkey condition which is a rare find in today's market. This layout is perfect for longterm cruising or would make a fantastic live aboard opportunity. She features an exquisite light wood interior with custom lacquered spray finishes. Her generous 24'6" beam produces a luxury cruising platform and with her Horizon Yachts build integrity, makes her the benchmark of this market segment. The expansive salon layout and integrated galley make this layout prime for entertaining and long range cruising. The custom curved internal staircase to the sky lounge is not only functional but beautifully engineered. "Lil" features an on deck master stateroom with expansive 180 degree views forward. Additionally there are 2 guest staterooms and a dedicated crew quarters. The aft deck rivals that of a 100' monohull with custom dining table, bosun's storage locker, aft and side boarding gates.

She features full walk around decks and huge walk in anchor hold forward with expansive storage area. Mechanically, she is powered by Caterpillars C12 diesel engines in independent engine rooms, Cummins/Onan generator, and inverter system. Electronically, she features a full complement of Garmin electronics, camera system, Direct TV system, and upgrade AV system.

## **MAIN STRUCTURE**

One-piece hull lamination, longitudinal stringers and keel to protect propellers and rudders

Solid fiberglass below waterline

High-density Divinycell or equivalent foam cored construction above water line

Entire hull structure constructed under high vacuum pressure utilizing the patented SCRIMP process for higher strength and reduced weight

High-density Divinycell or equivalent foam cored deck and superstructure.

Entire deck and superstructure constructed under high vacuum pressure utilizing the patented SCRIMP process for higher strength and reduced weight.

White gelcoat finish for hull above water line, exterior decks and furniture

International® 3 ply anti-fouling bottom paint, and 5 plies anti-osmosis primer treatment.

PropSpeed metal paint for underwater appendages

Horizon Yachts style liners and modules with light weight cored wood cabinetry

In 2020 the aft bridge deck was extended to overhang the lower lounge seating area including new stanchions and lighting (\$20,000)

## **PROPULSION AND STEERING SYSTEM**

Twin CAT C12A 715HP engines (2800 hours on mains, 370 hours SMOH on starboard engine, Documented by /Gregory Poole summer of 2021)  
Dual Racor filters in each engine room  
Stainless shafts with 4 blade propellers  
Bronze P bracket  
Shaft and rudder packing glands with maintenance free Tides seals  
Stainless rudder with zinc plates  
Power Steering system  
Side Power Bow Thruster  
  
HI-Drive steering system

## **Electronics**

(2) Garmin Multifunction touchscreen GPS, chart plotter, fish finder, radar units (2) Garmin Speed/depth/wind  
Garmin Autopilot  
Garmin VHF 200 and handheld  
Caterpillar display monitors  
Sidepower bow thruster control  
Backup spotlight  
FLIR camera  
Bennett trim tab control and monitor  
Video input monitor  
Comprehensive camera system with dedicated monitor  
Quick windlass control with chain counter  
Kahlenberg ship's horn  
Battery monitor

## **ENGINE ROOM(S)**

Sound and heat insulated compartments  
  
Ventilation system with moisture eliminators  
21.5Kw(60Hz) Onan generator with sound shield and air water separator (2432 hours) Engine access through deck hatches in cockpit floor  
DC Lights  
Automatic fire extinguishers  
Outlets  
High water bilge pumps with alarms  
Oil change pump system for engines and generator

## **UTILITY ROOM**

Portable fire extinguishers  
Fuel transfer pumps  
Chilled water air conditioning compressors and circulation pump  
  
AC and DC distribution panels  
High volume AC fresh water pump  
Electrical outlets and lights

## **ELECTRICAL SYSTEM**

110V or 220V electrical supply from generator/ shore power TV / Telephone dock inlets  
Shore power connector  
Selector switch for AC power supply  
Color-coded wiring for easy identification  
Premium DC distribution board with switches, voltmeter and amp meter  
  
Remote panel for generator  
Ships Batteries  
Premium AC panel with switches 110/ 220VAC, 100 amp shore power on reel  
  
Navigation light selection panel  
Fresh, black water & diesel tank gauges  
Engine start batteries  
Charger / Inverter 4000W(1)  
Vimar switches for lighting switches and receptacles  
Outlets in Salon / bar / galley / cabins /fly-bridge / aft deck / engine room

## **PLUMBING SYSTEM**

Tecma Electric fresh water flush toilets  
Washer and separate dryer including laundry cabinets and iron board  
40 Gal holding tanks (2), Y valve for automatic discharge or dock side pump out Water and black tank integral to hull  
Color coded piping for easy identification  
High water bilge alarm  
6x electric 24V bilge pumps  
Marine grade lines for fresh water system  
Fresh water tank monitoring system  
110V water heater x (2)

## **INTERIOR LAYOUT- SALON**
