

65 ft 2020 Horizon PC65, Castina

**US\$3,750,000**

Fort Lauderdale, Florida, United States

### Boat Details

Make:	<b>Horizon</b>	Class:	<b>Power Catamaran</b>	Guest Cabins:	<b>4</b>
Model:	<b>PC65</b>	Hull Material:	<b>Fiberglass</b>	Guest Heads:	<b>4</b>
Year:	<b>2020</b>	Drive Type:	<b>V Drive</b>	Fuel Type:	<b>Diesel</b>
Length:	<b>65 ft</b>	Beam:	<b>24 ft 6 in</b>	Max Draft:	<b>5 ft 6 in</b>
Price:	<b>US\$3,750,000</b>	Boat Location:	<b>Fort Lauderdale, Florida, United States</b>		
Condition:	<b>Used</b>	Name:	<b>Castina</b>		

## Description

*CASTINA IS OWNED BY MAINE MARITIME ACADEMY (MMA) AND OFFERED FOR CHARTER WITH OPTION TO OWN. THIS IS A UNIQUE OPPORTUNITY TO CHARTER TO OWN ONE OF THESE PRESTIGIOUS YACHTS, CONTACT US ABOUT TERMS AND PRICING.*

*"Marked by excellence in build quality and attention to detail, each yacht in the PC Series offers the efficiency and stability of a high caliber catamaran with the layout, features, and amenities of a large motoryacht. The twin hull design offers exceptional stability, low resistance and drag, and a smooth, level ride, resulting in unmatched comfort for everyone aboard." Horizon Yachts*

Castina is an exceptionally well-equipped Horizon 65PC offering ease of boat handling with the upper helm station and docking stations port and starboard in the cockpit as well as a DockMate remote docking station. The owner's cabin is up on the main deck, the fully enclosed flybridge with soft back and opening side windows offers superior living and entertaining on the upper deck and the large galley in the main salon satisfy the most fastidious of chefs, centrally located so that the galley becomes the hub of any gathering.

Hull Shape: **Catamaran**

### Horizon 65

"A larger sister to the successful Horizon PC60 model, the new Horizon PC65 provides increased fuel capacity and stronger power to satisfy blue water cruisers. With a hull design by Angelo Lavranos and Horizon's in-house team, the PC65 inherits the stability, safety, and comfort that characterizes the PC series. Designed to take full advantage of the successful features of the PC60 and PC74, the PC65 incorporates a spacious salon area with L-shaped seating and a galley... A total of four guest staterooms are on board, with a full beam on-deck master stateroom and three guest staterooms below deck." ~ Horizon Yachts

### Castina

Even when you are building a boat with one of the worlds most respected builders, the devil is in the details. Castina is a fantastic example of the value of strong collaboration between the builder, a knowledgeable and experienced boat buyer and a highly respected buyer's agent.

Starting with the aesthetics, the custom modern teak flat panel interior offers a clean and sophisticated ambiance, and the seamless teak and holly style hardwood flooring goes to the abilities and talent of the builder. Accentuating the interior and blending in nautical heritage there is compass rose inlays on the main bulkhead over the owner's cabin and on the cockpit table and custom brass sconces add in additional warmth and tradition. For the exterior the teak decks have been installed on the swim platform, in the cockpit, the weather decks, foredeck and stairs to the flybridge.

With a focus on function there have been several modifications to the original design that have added usability and comfort. Starting with the sofa in the lower salon, a return has been added to make wrap around seating experience adding flow and a more social experience. A similar modification was made to the dinette in the pilot salon again offering more seating as well as creating an enhanced social environment. Other items that should not go unnoticed are the tall cabinet in the cockpit has an exterior light switch panel that makes dialing in the outside ambiance that you want including red and white lights with dimmers for the aft deck, salon and the flybridge. Drawing in the environment around you, Castina is also fitted with blue underwater lights that frames this amazing vessel.

## Custom Features

- Flybridge settee customized with return on forward section enabling starboard side passenger seat
- Main saloon settee customized with return on aft section
- Vents on all lockers - for better ventilation
- Increased fuel capacity by 200 gallons for longer range
- Opening ports in saloon, VIP and Master windows
- Crane upgraded
- Dockmate added after delivery
- Dual aft deck controls – port and starboard
- (2) additional stainless-steel handrails on swim steps
- 2nd Scotsman icemaker
- Additional Hella fans
- Flybridge starboard side drawers sized for chart kit
- Liquor locker sized for tall bottles
- Main saloon settee coffee table with storage
- Aft deck chairs are Kingsley Bate St. Tropez
- Large storage under master and VIP berths
- No seams in teak flooring
- Cool Drawer multifunction refrigerator
- Up graded refrigerator - Fisher and Paykel
- Custom lighting – red and white with dimmers
- Added rudder angle indicator for manual back up rudder control on flybridge panel
- Multifunction display in galley
- Main saloon forward bulkhead pattern with quarters awn teak
- Brass wall lamps in saloon and master
- Custom flybridge cabinet to accommodate grill and propane storage
- Ladder to hardtop
- Custom running lights

## Hull and Main Structure

### Horizon PC65 Specifications

*Castina is equipped with owner provided Humphree HA1000 Interceptors recently upgraded to Active Ride Control offering increased stability and fuel efficiencies. The original owner also had Ultimate 80-20W LED blue underwater lights installed for additional ambience for entertaining and lounging at night.*

- Hull side frameless flush mounted fixed windows with tinted and tempered glass x 5
- White gelcoat finish for hull above water line, exterior decks and furniture
- Charcoal Grey double cove stripe
- Charcoal Grey boot stripe
- Black antifouling

### Structural Components

- ABS/DNV type approved fiber/resin and sandwich core material applied
- One piece hull SCRIMPTM cored lamination with deep skeg and longitudinal girders
- Hull, deck and superstructure are built with licensed process SCRIMPTM for improved strength and less weight
- High density foam cored hull bottom
- High-density Divinycell or equivalent foam cored hull sides, decks and superstructure
- Stringers with high density foam coring
- Interior structural components all properly bonded to hull
- Strong collision bulkhead structure for extra safety
- Black anti-fouling bottom paint, with anti-osmosis treatment
- PropSpeed/PropGold metal paint for underwater appendages
- Tunnels for reduced draft

## Interior and Exterior Design and Equipment

### Exterior Design and Equipment

*The main deck of Castina features teak decks in the cockpit, swim platforms, weather decks, foredeck and steps to the upper deck. Also featured:*

- Bulwark with external rub rail
- Mooring cleats x (10) as per layout
- Heavy-duty stainless-steel handrail: Top rail 1-1/2", stanchions 1-1/4" and mid rail 1"
- Big 10" x 20" opening portlights x 4
- Deck hatches with blinds and screens x 2

*Stepping aboard the swim platform from the docks this area is well protected with (2) removable U-shaped stainless steel stern rails port and starboard and an additional stainless-steel handrail at the base of the steps for the cockpit. In between the hulls is the retractable dive platform with teak slats in a powder coated aluminum frame. Also of note:*

- Large, curved steps down to dive/swim platform, including fin storage underneath the second step of each side x 2
- Swim ladder
- Hot and cold freshwater showers recessed into port and starboard aft coaming x 2
- Fresh water deck washdown tap and dock inlet portside
- Port and starboard sides boarding doors door
- Self-draining aft deck

*The aft cockpit is a hub for entertaining, with a large, molded sofa with plush cushions with bolsters, large dining table with a chairs, wet bar and access to the swim decks, foredeck, upper deck and salon. Key features include:*

- Curved seat with bolstered cushions
- Large (9'-4") satin finished wood cockpit table with compass-rose inlay
- Foldable teak chairs with armrests x 6
- Cockpit down LED lights
- Courtesy lights
- Aft deck engine control stations port and starboard
- Vertical storage locker with exterior light switch panel and cleaning supply storage
- Aft deck bar with sink
- Overhead cabinet above aft deck bar with custom doors
- Dometic 3.8 cu.in. AC/DC front opening refrigerator
- Scotsman CU50 65lb/24hrs icemaker
- Cockpit lockers for storage with key lock for each door x 3
- Large deck hatch provides shelves and under step storage for ropes and tools and non-skid floor inside x 2
- Flush mounted stainless steel framed salon door with 6' opening
- Curved stairway with treads up to flybridge from cockpit

*Moving forward along the weather decks inside of the well protected and high stainless steel rails that are mounted on the molded fiberglass bulwark is safe and comfortable:*

- Recessed fuel and water inlets

*The expansive foredeck offers a fantastic opportunity for lounging in the sun on the large sun pad, enjoying your surroundings from the bow seats port and starboard or setting up for docking and anchoring:*

- Anchor locker
- Stainless-steel anchor
- 200 ft. of High tensile 3/8" chain 200 ft. with 100 ft. of rode
- Quick electric windlass 2000W 24V
- Quick foot switches
- Quick chain controls
- Quick chain counter
- Hawse pipes at forward deck x 4
- Anchor roller
- Stainless-steel chain stopper
- Fresh water chain washdown
- Bow storage lockers with access through flush deck hatches x 2
- Stainless steel horizontal rail inside the bow storage lockers for tying off fender ropes x 2
- Pulpit seats at bow

*Returning to the cockpit along the weather decks and reentering the cockpit, port of the main salon doors is the curved stairwell that leads to the upper deck with access to the boat deck and the pilot salon:*

*The boat deck is at the top of the companionway steps, aft of the pilot house. Cradle for the dinghy is aft with the crane to starboard. Forward of the crane and running along the back starboard edge of the pilot house is the wet bar with propane grill:*

- Cambered deck with ample drainage
- Steelhead E1500 24V dinghy crane - owner upgrade
- Electrical outlet and water outlet for dinghy in aft boat deck
- Stainless-steel rails around boat deck
- Stainless-steel flagpole on stern
- Stern docking lights (x2)
- Wet bar with sink, hot and cold water
- Dometic 3.8 cu.in. AC/DC front opening refrigerator
- Scotsman CU50 65lb/24hrs icemaker
- Locker space for storage

*Stepping forward into the pilot house you find one of the best features on the Horizon 65PC, the enclosed flybridge. To starboard is the large wrap around U-shaped dinette. Forward, port and starboard, of the helm are forward facing bench seats with amazing visibility. Between the two bench seats is the well laid out and extremely functional helm station and behind and to port is the wrap around upper bar:*

- Port and starboard forward-facing seats
- Air conditioning on flybridge
- Opening overhead hatches in the hardtop x 3
- Hella 12v fans x 2
- Hard top with lights

- Three fixed glass front windshields with FRP frame and wipers
- Navigation LED lights (AQUA Signal)

#### *Dinette*

- U-shaped molded dinette seating
- Teak dining table

#### *Helm Station*

- Helm station with stainless-steel wheel
- Suite of electronics (See Electronics)
- Instrument console with engine controls, instrument monitors and panels, fuel tank monitoring system
- Stidd helm seat
- Windlass remote control
- Spotlight remote control
- Horn controls

#### *Bar*

- Indirect lighting under bar counter

#### *Pilot House Roof*

- Hardtop reinforced for navigation gear mounted on top

### **Interior Design and Equipment**

- Standard layout: En suite staterooms (x4)
- Soft close drawers through boat
- Hella 12v fans in all guest accommodations and main salon

*Entering the expansive salon from the cockpit with its open galley with bar seating to starboard, lush lounge with wrap around seating opposite to port and glassware and liquor cabinetry to port just inside of the sliding glass door from the cockpit:*

- Teak and holly style hardwood flooring constructed out of a single panel, so there are no seams
- Tempered safety glass windows
- Soft furnishings including roman blinds
- Fabric headliner with recessed down lights
- Window valance
- Satin wood finish on vertical and horizontal surfaces
- High gloss on hardwood trims
- LED Ceiling lights

*The large wrap around galley is the hub of the action with high grade appliances, central location, incredible views and the social bar on the central countertop return:*

- Miele 18.9 cu ft. 120V/60HZ refrigerator with teak doors
- Fisher & Paykel Cool Drawer 5 function 110V refrigerator
- Zephyr 28' range hood 120V/60HZ
- Dacor 36' 5-burner propane cooktop
- GE Profile Series Advantium 30" wall oven with 120V/60hZ Speedcook Technology - Stainless Steel
- Fisher & Paykel dish washer drawer 120V/60HZ

- Summit 46 bottle wine cooler 115V/60HZ
- Corian counter tops and back splashes
- Cutlery and crockery drawers
- Pot and pan drawer and spice cupboard
- Additional storage drawers and cupboards
- Double sinks
- Bar stools with stainless-steel posts x 4

Opposite to port of the galley is the well thought-out, customized, comfortable elegant salon living area:

- Luxurious salon fabric covered sofa
- Side tables with storage
- Wood coffee table with storage inside

*Aft of the salon lounge to port is the glassware and liquor storage bar:*

- Storage for drinks, liquor bottles and glasses
- Storage cupboards
- Recessed overhead lights

*On the main deck forward of the galley, is the on-deck owners' cabin with panoramic views, incredible lighting with a clean and sophisticated décor:*

- Teak and holly style hardwood flooring (no seams)
- Custom compass rose inlay in main bulkhead over the bed
- Manual blinds for front windows
- Soft furnishings including blinds on all side windows
- King size walk around bed with high volume storage beneath mattress
- Vanity and chair
- Reading lights and cabin lights
- Nightstand with cupboard, light switches and outlets
- Headliner with recessed down lights
- Large closets for linens/towels and clothes
- 180-Degree views through wrap around, tinted and tempered windows
- Sound insulated bulkheads

*On the port side of the cabin is the companionway to the ensuite head compartment and shower compartment that are separated by the closet and changing area:*

- Large dressing area with full height closets, cedar lined

*Head Compartment*

- Headhunter Royal Flush toilet
- Exterior window
- Single basin sink
- Vanity with storage below counter

*Shower Compartment*

- Luxury walk-in separate shower
- Vanity with mirrors

- Kohler basins x 2
- large window
- Blind over large window
- Substantial storage below counter outboard to port below window

*From the main salon, down steps to starboard is:*

- Splendide 120V/60HZ washing machine
- GE 240V/60HZ dryer
- Built in ironing board
- Ships electrical distribution panel

*Aft to starboard is the guest cabin with ensuite head and stall shower:*

- Queen bed (150cm \* 180cm) with foam mattress, headboard, port lights
- Head with walk-in shower
- Headhunter Royal Flush toilet
- Kohler basin

*Forward to starboard is the VIP cabin with raised bunk that looks out on a large picture window:*

- Queen size bed – semi walk around with high volume storage beneath mattress
- Wood flooring
- Soft furnishings including roman blind over large oval window
- Luxury pocket spring mattress
- Reading lights, cabin lights
- Opening port lights in hull side
- Nightstands with cupboard, light switches and outlets
- Vanity with mirror and stool
- Closets, cedar lined.
- Fabric headliner with recessed down lights
- En suite bathroom with walk-in shower
- Headhunter Royal Flush toilet
- Kohler basin
- Opening port-light for natural light and ventilation

*The port guest cabin with twin berths, ensuite head and separate shower compartment, is outboard of the salon sofa:*

- Twin beds
- Wood flooring
- Soft furnishings including roman blind over port light
- Luxury foam mattresses
- Reading lights, cabin lights
- Nightstand with drawers, light switches and outlets
- Fabric headliner with recessed down lights
- En suite bathroom doubles as day head with walk-in shower

- Headhunter Royal Flush toilet
- Kohler basin
- Opening port-lights for natural light and ventilation

## Entertainment

### Media Center

- Samsung 52' flat screen TV
- Samsung 3D Blu-Ray disc player
- JL Audio amplifier
- Fusion MS-NRX300 audio Control panel x 2
- Fusion MS-CL602 6" speaker
- JL Audio M3-770X-C-GW speaker
- Sonos SPB 1018BB speaker
- Fusion MS -UD755 audio system

## Electronics

### Helm Station

- Raymarine multifunction displays - Axiom XL 16-15.6" x 2
- Raymarine autopilot control heads
- Raymarine VHF - Ray90 VHF
- Siriusxm satellite radio - SXV300B
- Raymarine Marine weather and audio receiver
- Raymarine speaker
- Raymarine automatic identification system (AIS) - AIS700
- Ritchie compass – SS-2000W 4-1/2" White DC24V
- Raymarine card readers x 2

### Galley

- Raymarine multifunction displays - Axiom XL 16-15.6" x 2
- Watermaker control panel

### Flybridge Hardtop

- Raymarine open array radar and pedestal
- Raymarine GPS receiver x 2
- Raymarine megaphone
- Raymarine wind vane - short arm vane

### Hull

- Raymarine autopilot system
- Raymarine auto pilot pump
- Raymarine sonar module - CP370 1KW
- Raymarine depth/speed transducer (through the water)
- Raymarine depth transducer - 50/200KHZ 600Watt

### Cameras

- (2) Raymarine CCTV marine camera - CAM200IP

### Additional Equipment

- Raymarine network switch - HS5
- Raymarine remote controller - RMK-10
- Mofi Wi-Fi Router 4G
- Linksys router - (AC1750)
- Raymarine Waveextender - Rogue Pro DB
- Ubiquiti Wi-Fi

# Systems

## Mechanical Systems

### Engines/Gearboxes

- Caterpillar C-12.9 1000MHP diesel engines x 2
- ZF 500A gear boxes x 2
- 5-Blade Nibrall propellers x 2
- Mathers MicroCommander controls engine/gear controls - at helm
- Mathers MicroCommander controls engine/gear controls - port and starboard aft deck
- Hypro steering system
- Side Power SE 210/250TC 10KW/13.15HP 24-volt - bow thruster
- Side Power SE 210/250TC 10KW/13.15HP 24-volt - stern thruster

### Fuel Oil/Lubrication Oil

- Racor 75/100MA primary - engine fuel filters x 2
- Racor 500MA - Generator fuel filters x 2
- Groco GHSN -13 24V oil changing systems x 2
- Jabsco 23870-1300 DC 24V - oil transfer pump

### Air Conditioning/Ventilation System

- 2-Ton chilled water air conditioning compressors (x3) and circulation
- Air handlers - Marine Air 6000 BTU 230V
- Air handlers - Marine Air 9000 BTU 230V
- Air handlers -12000 BTU 230V x 2
- Air handlers - Marine Air 1800 BTU 230V air handlers
- Air handlers - Marine Air 24000 BTU 230V x 2
- Gianneschi engine room outlet blowers - DC24V port and starboard
- Delta-T engine room inlet blowers - 11", 24VDC port and starboard

### Engine Propulsion and Steering System

- Dual Racor filters port and starboard
- Stainless-steel shafts
- High performance S class 5 blade Nibrall propellers
- Bronze shaft struts
- Tides Seals shaft and rudder packing glands port and starboard
- Stainless-steel rudders with zinc plates port and starboard
- Power steering system
- Underwater exhaust system with bypass and mufflers

### Engine Room Equipment

- Sound and heat insulated compartments
- Delta-T ventilation system with moisture eliminators
- Engine access through deck hatches in cockpit floor port and starboard
- DC engine room lights

- Automatic fire extinguisher outlets
- High water bilge pumps with alarms

#### Fire Extinguisher System

- Sea Fire combination smoke and CO alarms x 5
- Sea fire extinguisher x 2

### Electrical Systems

- 110V Electrical system from generator or shore power
- Northern Lights 12KW/60HZ 24V (334 hours) - generator
- Northern Lights 20KW/60HZ 24V (640 hours) - generator
- Remote start generator panel
- Lifeline AGM 12V/255A - engine/generator start batteries x 4
- Victron Energy Inverter - SKYLLA 24v/3000W/60hZ
- Victron Energy Skylla-TG 24-Volt 30-amp battery charger/inverter, 1+1 isolated outputs
- Victron Energy battery charger - SKYLLA-I 24v/80a
- Victron Energy battery charger - SKYLLA-I 24v/100a
- BEP battery Switches - 12/24V 500A x 6
- BEP Battery Switch - 12/24V 500A x 2
- Shore power connector with 25kVA isolation transformer
- Cablemaster shore power cord system - 100a/75'
- Color-coded wiring for easy identification
- AC panel with switches 110VAC, 100A dock inlet
- DC distribution board with switches, voltmeter and amp meter
- 255Ah AGM batteries for ship's DC 24V service power x 4
- Navigation light and bilge monitoring
- Freshwater, blackwater and diesel tank gauges
- Vimar switches for lighting switches and receptacles
- Outlets in salon, bar, galley, cabins, flybridge, aft deck, and engine room, some include USB outlets
- Alternator distribution system for engine

### Fluid Systems

#### Freshwater System

- Spectra Newport 1000c Watermaker
- Headhunter M5-115 (Mach 5, 115VAC) AC freshwater pump
- Headhunter XRS124 freshwater washdown pump 24V
- Raritan 1 20gal/240V water heater
- Grundfos 15V/60HZ hot freshwater pump
- Honeywell PR-1000 pressure regulator

#### Seawater System

- Seawater filter - 3" Engine
- Generator sea water filter 1"

- AC seawater filter 1 ½"
- Flojet 24V/4.5GPM seawater washdown pump

#### Bilge water/Deck Wash

- Rule 2000GPM (12#) DC24V bilge pumps x 4
- Par (Jabsco) 1 ½" Amazon manual bilge pumps x 2
- Rule 40A# W/O fuse 20A high level switches - x 20

#### Graywater/Blackwater

- Rule 98A-24V sump pump
- Rule 3700 (16#) DC24V sewage pump

### **Tender/Outboard**

- AB 13 ft. VST
- Yamaha 60 with low hours

## **Represented by a Certified Professional Yacht Broker (CPYB)**

A Certified Professional Yacht Broker (CPYB) is recognized as having achieved the highest level of industry accreditation, available only to fully-qualified yacht sales professionals. The CPYB program is administered by Yacht Brokers Association of America in partnership with Florida Yacht Brokers Association, Northwest Yacht Brokers Association, California Yacht Brokers Association, Boating Ontario Dealers, British Columbia Yacht Brokers Association and Gulf Coast Yacht Brokers Association.

The CPYB program is also endorsed by the Marine Retailers Association of the Americas (MRAA) Marine Industry Certified Dealership (MICD) program and leading yacht manufacturers as a key component of their own industry standards; the highest level of achievement for their member yacht sales professionals.

### **Experience & Validity**

The CPYB designation is earned by eligible yacht sales professionals, who, after serving a minimum of three years as a full-time professional, have successfully completed a comprehensive written examination to validate professional competency.

### **Continuing Education**

A CPYB is committed to their personal and professional development through continuing education, as mandated for CPYB recertification every three years.

### **Ethics & Standards**

A CPYB adheres to, and is accountable to, a nationally recognized Code of Business Ethics and conducts yacht sales transactions in accordance with a stringent set of industry standards of practice.

### **Fiduciary Responsibility**

A CPYB maintains a dedicated escrow/trust account to protect their client's funds. A CPYB understands their fiduciary responsibility and obligations with respect to client funds.

### **Transaction Management**

A CPYB uses proven, industry-recognized transaction documents, which fully and clearly describe all terms and conditions of a transaction.

### **Honesty & Integrity**

A CPYB maintains the highest standards of professionalism, acting with honesty and integrity.

### **Trust & Confidence**

A CPYB instills confidence, trust and consistency in all transactions involving fellow yacht sales professionals for the benefit of the client.

## **Exclusions**

Castina was professionally staged for the photography and videography. The soft goods, plate ware, stemware, flatware, vases and flowers do not convey with the charter of the vessel.

## **Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
