3 x Wipers.
2 x Stidd Helm Chairs
Lay flat lounger on Port Side
Side Opening Skylounge Windows

Engine Propulsion & Steering System

CAT C12-9 1000 HP engines.
Bow Thruster
Dual Racor filters in each engine room,
S/S shafts AQUAMET HS 22# or equivalent.
High performance S class 4 blade propellers in NiAlBr.
Bronze P bracket.
Shaft and rudder packing glands with maintenance free Tides seals.
Stainless rudder with zinc plates.
Power steering system.
Underwater exhaust system with bypass and mufflers.

Engine Room and Equipment

Sound and heat insulated compartments.
Ventilation system with moisture eliminators.
2 x 21.5 kW (60Hz) Onan generators with sound shield and air water separator.
1400 Gallon per day Water-maker
Engine access through deck hatches in cockpit floor.
DC Lights.
Automatic fire extinguisher outlets.
High water bilge pumps with alarms.
Oil change pump system for engines gears, and generators.
2 Ton chilled water air conditioning compressors (x3) and circulation pump.

Electrical System

110V or 220V electrical supply from generator/shore power.
Shore power connector (w/ 25kVA isolation transformer
100Amp cable master.
Color-coded wiring for easy identification.
Premium DC distribution board with switches, voltmeter and amp meter.
Remote panels for generators.
Four 210Ah AGM batteries for ship's DC 24V service power.
Premium AC panel with switches 110/220VAC, (100A for USA).
Navigation light and bilge monitoring
Fresh, black water & diesel tank gauges.
Four 210Ah AGM start batteries for engines/generators.
Battery chargers or inverter/chargers.
Vimar switches for lighting switches and receptacles.
Outlets and USB's in salon, bar, galley, cabins, flybridge, aft deck, and engine room.
Blue Underwater lights (x4)
Alternator distribution system for CAT C12-9 engine.
