Summary/Description

2012 PC60

This 2012 Horizon PC60 is the perfect blend of style, performance, and modern technology. Powered by twin Cummins QSM11 705HP diesel engines, she offers a cruising speed of 16 knots and the reliability that Horizon yachts are known for. Complementing her power is a brand-new Cummins Onan 21.5KW generator with only 308 hours, ensuring efficient operation.

A full interior refit, completed over the past year, has transformed this yacht into a floating luxury retreat. Every detail was thoughtfully upgraded, from the elegant furnishings and upholstery to all new wooden flooring, creating a warm and contemporary atmosphere. The on-deck, full beam master stateroom provides 180 degree panoramic views with a king sized bed.

For enhanced performance, the yacht is equipped with advanced Zipwake trim tabs, significantly improving stability and fuel efficiency. The state-of-the-art Maretron digital monitoring and control system offers comprehensive oversight of all onboard systems, providing both safety and convenience at your fingertips.

The spacious flybridge is designed for entertaining and relaxation, featuring plush seating, a wet bar, and panoramic views. Below, the expansive salon with large windows allows for ample natural light, creating an open and airy space that seamlessly blends indoor and outdoor living.

With her recent upgrades and refits, this Horizon PC60 is truly turnkey, ready for your next adventure on the water. Whether you're planning long-range cruising or enjoying a day with family and friends, this yacht delivers luxury, comfort, and top-tier performance.

Don't miss the opportunity to own this stunning and meticulously maintained Horizon PC60.
