Location: Port

Engine 2

Cummins
QSB 6.7
Inboard
550HP
410.13KW
Fuel: Diesel
Hours: 165
Hours Date: 01-28-2025
Year: 2019
Location: Starboard

Generator 1

Cummins Onan
17.50KW
Hours: 7600
Hours Date: 01/28/2025

Summary/Description

PC52

Experience elegance and efficiency aboard this **2019 Horizon PC52**, a beautifully maintained power catamaran designed for both performance and comfort. Powered by **twin Cummins QSB 550HP diesel engines**, she delivers a **fast cruise of 18 knots** with a **range of 450 nautical miles**, while a slow cruise at 9 knots extends her range to **1,000 nautical miles**—ideal for extended adventures. Featuring a **spacious three-cabin layout** and an **open flybridge**, this yacht offers luxurious living spaces and breathtaking ocean views. Recently benefiting from a **comprehensive service in November 2024**, she is **turnkey and ready to cruise**. Perfect for island hopping or long-range getaways, this Horizon PC52 is a testament to timeless craftsmanship and the reliable performance of a Horizon Power Catamaran.

Specifications and Upgrades

Exterior Deck and Equipment

- White Gelcoat finish for hull above waterline, exterior deck, and superstructure.
- One-piece hull lamination and longitudinal girders for enhanced strength.
- Hull built with licensed SCRIMP™ process for improved durability and reduced weight.
- Plasdeck on aft deck and stairs
- Nonskid surfaces on main deck sides and foredeck.
- Locker for 24V anchor windlass with a 50KG Delta anchor and 175ft high tensile 3/8" chain + 150ft warp.
- LED deck and cockpit lighting.
- Aft deck bar with Scotsman icemaker, Dometic refrigerator (replaced 2024), and sink.

Flybridge

- FRP module bar with sink, hot/cold water, and a Dometic fridge.
- Corian tabletop with four bar stools.
- E1000 full hydraulic Steelhead crane (serviced February 2024; all hydraulic lines replaced).
- Sunning bed/bench seat with cushions.
- Air-conditioning on the flybridge.
- Garmin navigation suite, including dual screens, auto-pilot, wind indicator, HD radar, fish finder, and depth sounder.

Engines & Mechanical Systems

- Twin QSB 6.7 550HP Cummins engines.
- Starboard engine and transmission replaced (July 2024).
- Port engine serviced (November 2024), including all fluids and heat exchanger.
- Generator serviced (November 2024) with all fluids replaced, heat exchanger ultrasound cleaned, and new soundbox insulation installed.
- New AGM batteries for main engines: 4 GP-31 (July 2024).

- Glendenning Cable Master with 70ft shore power and 50A connector.

Underwater Gear

- New bottom paint applied (October 2024), including Prospeed and zincs.
- New cutlass bearings for the starboard shaft (August 2024).
- New cutlass bearings and seals for rudders (October 2024).

Water Systems

- 270-gallon freshwater tank integral to the hull.
- New pump motor and pump head for the watermaker installed (June 2024).
- Two Johnson controls added to the watermaker system (June 2024).
- Two Headhunter 24V freshwater pumps with accumulator tank.
- New Headhunter water pump and duck valves replaced for black water tanks (October 2024).

Technology & Controls

- Starlink system installed (June 2024) for high-speed internet connectivity.
- Upgraded yacht controller remote with wireless charging (September 2024).

Interior Design and Features

- Three stateroom, two-head layout with starboard master suite.
- Galley with 4-burner electric cooktop, GE Avantium oven/microwave, Fisher & Paykel dishwasher drawer, dual-zone wine cooler, and fridge/freezer with icemaker.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
