Summary/Description

PC52

This 2015 Horizon PC52 is a well-maintained and thoughtfully updated power catamaran that offers a blend of efficiency, comfort, and space in a manageable size. Known for its stable ride and practical layout, the PC52 is ideal for island cruising, coastal exploration, or extended stays aboard. The open salon layout allows for an expansive interior living/social space that flows into the galley. The three cabin layout sees the entire starboard hull as the owners cabin and en-suite bathroom with the port side sharing the VIP and twin cabins, whom share a Jack and Jill style head and shower to maximize volume. Powered by twin CUMMINS QSB 6.7 diesel motors w/ 550HP, you will have a fast cruise of 18 knots with a range of 450NM and a slow cruise of 9 knots with a 1,050 NM range.

Recent updates to this vessel:

- Full haul out bottom service (paint, zincs, and propspeed) **December 2024**
- Full engine service to port and starboard **April 2025**
- Generator service **January 2025**
- Interior/Exterior soft goods refinished **2023**
- Ceramic coating on all exterior gel coat **January 2025**
- Starlink Installed

With a proven hull design, spacious accommodations, and recent upgrades, this 2015 PC52 is ready for her next chapter on the water.
