Hours: 234

Summary/Description

Horizon PC60

This 2021 Horizon PC60 features the highly sought-after on-deck, full-beam master stateroom and a fully enclosed skylounge flybridge complete with a convenient day head, creating an ideal layout for both extended cruising and entertaining. Powered by twin MAN 800HP engines, recently completing their full 4-year service, the vessel delivers confident performance with exceptional reliability. Accommodations include four staterooms and four heads, offering generous space and privacy for owners and guests alike.

Equipped with a Victron Energy lithium phosphate house battery system, Starlink connectivity, RO watermaker, Spot Zero double-pass water treatment system, and a 2021 15' AB w/ 70HP yamaha, this PC60 is exceptionally well prepared for island cruising and extended time aboard. Horizon's thoughtful engineering, combined with recent servicing and a turnkey equipment package, make this PC an outstanding opportunity for an owner seeking comfort, capability, and no waiting for a new build.

Twin MAN i6 engines have recently completed their full 4-year service by a MAN-authorized technician, including coolant replacement, raw water impellers, fuel and oil filters, diagnostics, and a complete mechanical inspection.

Recent Services/Upgrades:

October 2025
